The Magazine for the extended Tappin Family

The 'Family News' was started in 1999 by the late Clive Tappin who produced 38 editions during which it became the 'Family Magazine, Newsletter & Views'. Issue 39 was edited and produced by myself in December 2008. Edition 40 saw the magazine have a bit of a makeover and from then on it was produced in a slightly changed format including the name being shortened to 'Family Magazine'. The Magazine is now published three times a year in April, August and December with the next latest submission date for articles of by end of November 2011.

With the approval of the contributor some articles will also be published online on the Family Website. The Magazine content will still rely heavily as before on articles submitted by members of the extended Tappin family, namely yourselves.
